■ Central banking in practice

Within the framework of the Central Bank Dialogue, the Deutsche Bundesbank offers all interested foreign central bankers and banking supervisors:

- a possibility to deepen and share knowledge, expertise and experience
- a platform for the exchange of views and ideas
- an opportunity for networking

We cover all topics related to central banking:

- monetary policy
- banking supervision
- financial and monetary system
- cash management and payment systems
- good governance
- statistics

■ What we offer

International central banking courses

- courses (different aspects)
- expert panel (specific aspects)
- series on current topics
- current focus ad-hoc published on our website
- in person and online
- course language English
- three to five days

Here you find more information about our online-registration

■ What we offer

Bilateral cooperation

Customised activities for individual central banks, online and in person.

in Germany	in your country
seminars	consultancy
five to eight participants	training for small and large groups
with a variety of experts	one to two experts

Our tailor-made offer is to meet individual central bank's need.
