Source of the unadjusted figures: Federal Statistical Office. <sup>1</sup> The turnover in the service sector includes the sections transportation and storage, accommodation and food service activities, information and communication, real estate activities, professional, scientific and technical activities as well as administrative and support service activities. The turnover in accommodation and food service activities is measured by an index that is currently labelled experimental and which is not identical

with the published relatives of accommodation and food service activities. <sup>2</sup> Classification of Economic Activities, 2008 edition. <sup>3</sup> From 2021 based on monthly survey. Before based on the data of a quarterly survey that have been transformed to monthly figures using administrative data. Due to the recalculation, the estimation of seasonally and calendar-adjusted figures is subject to greater uncertainty. <sup>4</sup> As of January 2023 figures are provisional and partially revised.
