**1** Due to the migration from TARGET2 to T2 between 17 and 20 of March 2023, breaks in the time series are possible.

**2** Market share of the five largest senders of payment messages in each interbank payment system in relation to the value of transactions. Each participant with individual access to the payment system is counted separately, irrespective of any legal

dependencies.

**3** Only card transactions based on the SEPA Card Clearing (SCC) format developed by the Berlin Group (mainly Girocard transactions).

**4** Market share of the five largest participants in relation to the value of all transactions.
