1 Incl. freight and insurance costs of foreign trade, see "Explanatory notes and lists".

2 The sub-items of services do not add up to the aggregate because – due to methodological reasons – the construction item reports only the net receipts of domestic companies for construction services abroad and net expenditure to foreign com-

panies for construction services in the reporting country. 3 Incl. fees for processing goods that are not owned by the processor. 4 For a breakdown of transport services and comments, see table II. 3b). 5 Since 2001, the sample results of a household survey have been for expenditure. For further comments on foreign travel, see tables II 6c) and
