

FRANKFURT MACRO SEMINAR

Spring 2025 Frankfurt Macro Seminar

May 8, 2025

House of Finance, Goethe University Frankfurt

We are pleased to announce the third meeting of the Frankfurt Macro Seminar, to take place on **Thursday, May 8th, 2025**, at Goethe University Frankfurt.

We are researchers from Deutsche Bundesbank, the European Central Bank, the Frankfurt School, and Goethe University Frankfurt, who have the joint goal of fostering collaboration between Frankfurt-based macroeconomists. The half-day (afternoon) workshop will include four 45-minute presentations. It will be followed by a networking event, an excellent opportunity to create and strengthen bonds in the Frankfurt Macro community.

We invite submissions from all faculty members, research economists, and advanced Ph.D. students. The submission deadline is Saturday, **March 15th, 2025**. Interested colleagues are invited to send a paper to frankfurtmacroseminar@gmail.com. The authors of papers selected for presentation will be notified by Friday, April 11th, 2025.

This workshop will allow Frankfurt-based macroeconomists to get to know each other, exchange ideas, and sow the seeds of future collaboration. Therefore, we invite everyone to attend, regardless of paper submission or selection.

Please contact the organizers for any questions regarding the workshop.
