

Biography short version

Martina Weimert CEO EPI Company

Martina Weimert, CEO of EPI Company since its 2020 inception, focuses on establishing an independent European payment solution in collaboration with EPI's shareholders. With 20 years of international consulting experience, she specialized in payments, fintech, blockchain, and retail banking across Europe, the Americas, and the Middle East. Previously, Martina was a partner at Oliver Wyman and held senior roles at Capgemini Consulting and Deutsche Bank. She graduated from the Institute of Political Science in Paris, holds a Master's in International Administration from Sorbonne University and studied Political Science at the University of Bonn.
